The MOR is in a format acceptable to the U.S. Trustee for the Southern District of New York (the “**U.S. Trustee**”). The MOR should not be relied upon by any persons for information relating to current or future financial conditions, events, or performance of any of the Debtors or their affiliates.

In preparing the MOR, the Debtors relied on financial data derived from their books and records that was available at the time of preparation. Subsequent information or discovery may result in material changes to the MOR and errors or omissions may exist. Notwithstanding any such discovery, new information, or errors or omissions, the Debtors do not undertake any obligation or commitment to update the MOR.

This MOR has not been prepared in accordance with accounting principles generally accepted in the United States of America (“**U.S. GAAP**”) and does not include all of the information and footnotes required by U.S. GAAP. Therefore, there can be no assurance that the consolidated financial information presented herein is complete, and readers are strongly cautioned not to place undue reliance on the MOR.

The information furnished in this report includes primarily normal recurring adjustments but does not include all the adjustments that would typically be made for the quarterly and annual consolidated financial statements to be in accordance with U.S. GAAP.

Furthermore, the monthly financial information contained herein has not been subjected to the same level of accounting review and testing that the Debtors apply in the preparation of their quarterly and annual consolidated financial information in accordance with U.S. GAAP. Accordingly, upon the application of such procedures, the Debtors believe that the financial information may be subject to change, and these changes could be material.

In future periods, any changes to prior period balances will be reflected in the current month’s MOR.

The results of operations contained herein are not necessarily indicative of results that may be expected from any other period or for the full year and may not necessarily reflect the consolidated results of operations and financial position of the Debtors in the future.

among other things. On November 16, 2018, the Bankruptcy Court approved the relief requested in connection with the First Day Orders on a final basis, except for the Final Cash Management Order, which was entered on December 21, 2018. To the extent any payments were made on account of such claims or obligations following the commencement of these chapter 11 cases pursuant to the authority granted to the Debtors by the Bankruptcy Court under the First Day Orders, such payments have been included in the MOR unless otherwise noted.

As stated above, pursuant to the Sale Order, on the Closing, prepetition secured debt under the Final DIP ABL Order was repaid, and secured obligations under the Final Junior DIP Order were rolled into new financing of the Buyer and otherwise discharged as against the Debtors.

7. **Reservation of Rights.** The Debtors reserve all rights to amend or supplement the MOR in all respects, as may be necessary or appropriate. Nothing contained in this MOR shall constitute a waiver of any of the Debtors' rights or an admission with respect to their chapter 11 cases.
8. **Specific MOR Disclosures.**
